Please attach your written statement with this document upon submission.

Describe your request in detail and include any relevant information such as the number of persons involved in the use, operating hours, or any unique features of the proposed use.

Hello and thank you for taking the time to review my request. Our CUP request is for a simple retail store operating in normal business hours. There will likely be one - two employees working. We will offer womens, mens, and children clothing and accesories that reflect the relaxed vibe of the city. We know that DEAR NEIGHBOR will be a welcome addition as it already has had much success as a summer pop up.

If any improvements are being proposed, briefly state whether new structures are to be constructed, existing structures are to be used or modifications, expansion, reconstruction, or additions are to be made to existing structures. If available, provide dimensions of any structures that will be used for this CUP.

No new structures are planned, just interior renovation and landscaping to make the lot more beautiful.

Attachments Required – provide three copies of each

1. *A scale drawing showing the size and shape of the parcel of land on which the proposed use is located.* Scale drawing shall show the size and shape of the parcel of land on which the proposed building is to be constructed, the nature of the proposed use of the building or land and the location of such building or use with respect to the property lines of said parcel of land to the right-of-way of any street or highway adjoining said parcel of land.
2. *Ownership information* – If ownership of the property is in the name of any type of legal entity or organization including, but not limited to, the name of a corporation, partnership or association, or in the name of a trust, or in a fictitious name, an acceptable document must be submitted certifying that the person signing below has the authority to do so.
