Subject: Re: Albert Pollard CUP application for 6 additional cottages at 73 Seafood Lane

To: Justin Nelson (Irvington Zoning Administrator)
and the Irvington Town Council

I am opposed to the construction of 6 additional cottages that Albert Pollard has made a CUP application for at [73 Seafood Lane](#), otherwise known as "Refuel".

I hope the Irvington Town Council will vote NO and not approve the 6 additional cottages.

I request that Justin Nelson reads this email aloud at the Town Council meeting on September 12, 2024.

Thank You,
Bernard Carter
