Town of Irvington

Irvington Town Council Members

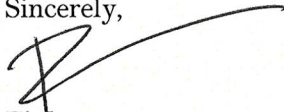

Dear Irvington Town Council Members,

I am writing to you to express my interest in the interim appointee position on the Irvington Town Council. As a full-time resident of Irvington, I am deeply committed to contributing to the betterment of our community and believe that my skills and experience make me a suitable candidate for this role. My professional background includes interior design, restaurant franchise operations and commercial real estate ownership and management. I firmly believe my background has equipped me with the skills needed to effectively participate in and execute Town Council duties.

Having been connected to the Northern Neck for most of my life, I have developed a deep appreciation for the distinctive character of our region and the challenges it faces. To that end, I strongly believe in the importance of listening to all views and opinions. I am enthusiastic about the opportunity to serve as an interim appointee on the Irvington Town Council and am committed to working diligently to ensure the continued health and prosperity of our town. In late October 2024, I ran as a write-in candidate for Town Council. My short, two-week campaign garnered 105 votes. I believe that securing that many votes in such a short amount of time is a testament to the support and confidence many of our residents have in my abilities.

Thank you for considering me for the interim appointee position. I look forward to the possibility of contributing to the long-term success of our unique and wonderful community.

Sincerely,

Finley
