Dear Mayor Harris, Town Administrator Nelson and Town Clerk Dyson:

Thank you for the 2024 disbursement of \$2,500 from the Town of Irvington, which has helped to provide free library services for all of our citizens.

On behalf of the Lancaster Community Library, I am requesting a disbursement donation of \$2,500 from the Town of Irvington for 2025.

The disbursement should be released to: Lancaster Community Library.

Please send to:

Lancaster Community Library  
Attn: Alice Cooper  
PO Box 850  
Kilmarnock, VA 22482

Thank you as well as all of the Irvington Town Council for your consideration of this request from the Lancaster Community Library. With a full complement of books, audio books, ebooks, DVDs, programs for all ages, and meeting as well as study rooms, we have something for everyone.

Library programming for all ages includes Babygarten, Storytimes, Manga Club for the Teens, book groups, and Sundays at Two.

We are so excited that our new Mobile Library will be present at the Irvington Farmers Market. This 'library on wheels,' provides all the services of a regular brick and mortar library, with library cards, book check outs, and WiFi!

Sincerely,

Alice M. Cooper  
Library Director
