Subject: Request for Support – Steamboat Era Museum

Dear Charles Dyson,

On behalf of the Steamboat Era Museum, I want to express our sincere appreciation for the Town of Irvington's ongoing support. Over the past two and a half decades, the Town's generosity has played a significant role in preserving and sharing our region's rich maritime heritage.

Given the Town's long-standing support, we respectfully request a \$2,500 contribution to help sustain our operations and educational programs. Your support directly impacts our ability to offer exhibits, programs, and preservation initiatives that benefit both residents and visitors alike.

We deeply value our partnership with the Town of Irvington and appreciate your consideration of this request. Please let me know if you have any questions or would like to discuss this request further.

With gratitude,
