Town of Irvington's Town Council
Mr. Charles Dyson
Town Clerk
4513 Irvington Road
Irvington, VA 22480

Dear Mr. Dyson and Town Council Members,

Please accept this letter as my interest in serving as an interim appointee to the Town of Irvington's Town Council.

I am a registered voter and an active participant in Irvington's Village Improvement Association through meetings, committees, and events. I have lived here for more than two and a half years and have been visiting the area regularly for nearly five years. I am happy to call Irvington my home for years to come.

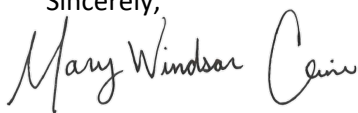

Professionally, I have spent much of my career in hospitality, tourism, and community-based operations. In my current role managing a marina within the Virginia River Realm, I see firsthand how waterfront living and tourism intersect to support both residents and the local economy. That background has taught me to listen carefully, work collaboratively, and make practical decisions that balance community needs with the visitor experience.

I previously lived in Fredericksburg, where I participated in civic and business leadership programs including the Chamber's Leadership Fredericksburg initiative, as well as other community organizations. Those experiences gave me perspective on how local government and civic groups can work together to support residents and small businesses alike.

I value the role our town council plays in guiding Irvington's future and would be honored to contribute to discussions that keep our community welcoming, sustainable, and vibrant for both residents and visitors.

Thank you for your consideration.

Sincerely,

Mary Windsor Cline
