The Town Office will be converted into a small Inn with 6 tiny house units and a full-service restaurant.

If any improvements are being proposed, briefly state whether new structures are to be constructed, existing structures are to be used or modifications, expansion, reconstruction, or additions are to be made to existing structures. If available, provide dimensions of any structures that will be used for this CUP.

An addition is planned for the rear of the building to accommodate a commercial kitchen operation. The 6 tiny houses for the Inn will be under 400 sq. feet each. The parking lot will be expanded to accommodate off-street parking for the Inn & restaurant to include 21 parking places plus handicap parking.
