Good afternoon Mr. Taylor,

I'm reaching out today because the records indicate that your current term serving on the Planning Commission will end soon. I just wanted to check to see if you would like to be reappointed. If you could, just let me know. Thank you,

Charles;
Thank you for the reminder.

Yes, I wish to be re-appointed to the Planning Commission for another term.

In addition I wish to be reappointed to the Board of Zoning Appeals ("BZA"). I believe my current term on the BZA may also be expiring about the same time.

May this be done at the same time? If so, I request that these two requests for re-appointment be added to the agenda for the Town Council for the next meeting.

sincerely,
Jeremy Taylor

Good morning! I'm following up to confirm that next week's TC meeting agenda will include an item for Council to consider your reappointment. This will not affect your BZA appointment, which is active through 2028 and will remain in place so long as you are reappointed to the PC.

Thank you for your service to the town. Please feel free to reach out with any questions.

Charles
