TOWN COUNCIL REGULAR MONTHLY MEETING MINUTES  
IRVINGTON BAPTIST CHURCH  
THURSDAY, March 12, 2026; 6:30 p.m.**

- Joint Public Hearing:  
Conditional Use Permit application 2026.Coleman (55 York Rd) - 1<sup>st</sup>  
Reading
  - Mr. Nelson explained that this was an application to run a Short-Term Rental. If approved, this would be the 32<sup>nd</sup> in town (counted towards the cap of 35).
  - Mr. Dyson read an email from D. Jackson (Virginia Rd), expressing Ms. Jackson's opposition to the STR application. She believed it did not fit into the character of the neighborhood, that it would increase traffic, and also negatively impact the limited parking.
  - Ms. Westbrook asked Mr. Nelson how many other STRs were in that neighborhood. Mr. Nelson knew of only one other in the vicinity (but not on the same street).

**G. PUBLIC COMMENT**

- Comments from citizens on any topic.
  - B. Cronheim (of Entertainment Systems Corporation – a town vendor):  
Mr. Cronheim noted that his company had, for three years, been contracted with putting up and taking down the seasonal flags and Christmas decorations for the town. He spoke to share his opinion that the town should consider putting a storage shed on the Town Commons in lieu of renting a storage unit. He believed that over time the shed would pay for itself.

**H. REPORT FROM THE MAYOR, *J. Harris***

- Mayor Harris gave a brief report on the activity of the Deputies, noting they had been working 60 hours a month and would increase to 80 hours per month in April, May, and June. In February, an arrest for driving on a suspended license was issued.

**I. REPORT FROM TOWN ATTORNEY, *K. Kemp***

- Ms. Kemp reported that several measures under consideration by the General Assembly could potentially impact local governments. She will provide an update on any legislation that advances to the point of being signed by the Governor.

- Codes & Charter Report, *W. Nunnally*
  - No report.
- Facilities Report, *S. Van Saun*
  - Ms. Van Saun reported on a meeting with the Alliance for the Chesapeake Bay that she, Ms. Bradley, the Mayor and Mr. Nelson attended. The Alliance reviewed the Green Infrastructure Action Plan developed for Irvington through a no-cost partnership secured by Ms. Bradley. The plan provides recommendations for mitigating stormwater issues on the Town Commons. Ms. Van Saun noted that the next step would be for the Facilities committee to review the recommendations and bring proposed actions to Council.
- Public Safety and Events Report, *M.W. Cline*
  - On behalf of Ms. Cline, the Mayor reported that planning for the July 4th Parade was progressing. The Shriners have confirmed their participation despite the change in parade time. The Committee is coordinating with the Village Improvement Association to explore extending food truck hours to bridge the gap between the close of the market and the start of the parade, and is also considering children's activities or live music during that time.
- Town Operations Report, *F. Westbrook*
  - Ms. Westbrook requested confirmation on whether or not the funds for the new flags for the town's electric poles required a separate appropriation. Ms. Bradley clarified that the purchase was covered under the operating budget approved at the start of the fiscal year.
