Town of Irvington Town Council

Irvington, Virginia

Dear Members of the Town Council,

I am writing to express my interest in reappointment to the Irvington Planning Commission. Over my time serving, I have been actively involved in the town-wide survey process and worked closely with contractors and town staff to compile our Comprehensive Plan, work that has been among the most meaningful contributions I've made to this community. As Vice Chair, I have also worked to keep our meetings productive and our processes transparent for both commissioners and the public.

There are several ongoing matters I am particularly invested in seeing through, especially our work on Accessory Dwelling Units, which I believe are at a critical juncture as we balance thoughtful housing expansion with preserving Irvington's character. I am also committed to the broader land use and mixed-use zoning conversations that will shape the town center in the years ahead. I would be honored to continue this work and appreciate the Council's consideration.

Respectfully,

Ruth Fuller
