

Hey Justin – hope you are doing well!

We can indeed do hourly contracts that bill for hours worked, whenever needed. My rate is \$185 per hour and my other engineers range from \$155-\$165. For example, if you need an exhibit of something and my \$155 engineer worked on it for half an hour, we'd bill you \$78 ($\$155 \times 0.5 = \78).
